

Each session about an hour. Writing rough drafts, drawing together and personalized book signings.

Laura either donates 15% of book sales to school (offsets fee, potentially can leave school with a profit) If school handles book sales, they can purchase books at 15% off retail. (Below pricing includes tax.)

Works most effectively for up to 100 children per session, crosslegged on floor/carpet with materials.

Prior to visit, Laura emails to school 2 “sketch starter” files to print on 2 sheets of paper per student. Students bring a pencil, their 2 printed sketch starters and clipboard or book to support their work. (Laura also emails a whimsical “story starter” for the teachers and students to use whenever they decide.)

School provides device & screen for showing visual material from Laura’s books, large easel, chart pad for the drawing session, crayons and/or markers (used crayons fine). Microphone for larger groups.

Teachers (parents, too) encouraged to participate. Children LOVE to see what their grown-ups draw!

***F**ees: 2 sessions \$400. 3 sessions \$500. 4 sessions \$600. 5 sessions \$700. (Offset by book sales).

Book order forms. Laura emails to school or school can format their own.. Forms are emailed or printed forms are sent home with students. Best to do this a week or two before the school visit.
