

# LAURA'S INTERACTIVE CREATIVE WORKSHOP

ADD WORDS TO YOUR OWN DAZZLING DRAWINGS!

## SCHOOL PROGRAM TAILORED FOR K THROUGH 5

### THE IMPORTANCE *of* ROUGH DRAFTS

Don't fret if you don't get it right the first time! Projects can take several drafts, even many. It's like practice! (See rough drafts of words & pictures from Laura's books. She often didn't get it right the first time either! Or the 2nd or 3rd!)

### THE POWER *of* WORDS

A Strong title - Your Character's Name - A Catchy Phrase - An Intriguing Story to go with Your Drawing!  
Alliteration - Adjectives - Rhyme - Synonyms - Verse - Editing

### THE POWER *of* IMAGERY

Design & Composition - Your Main Subject - Other Elements - Colors - Shapes - Background

### THE POWER *of* YOU! IMAGINATION! SELF-CONFIDENCE! FUN!

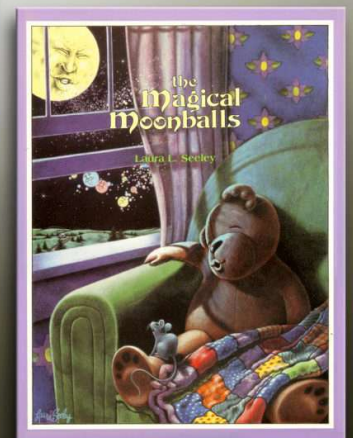

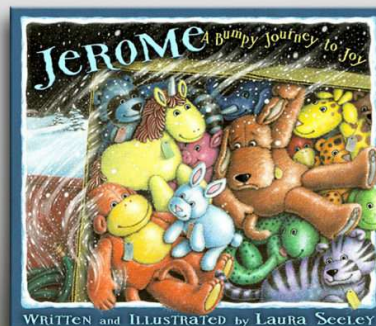

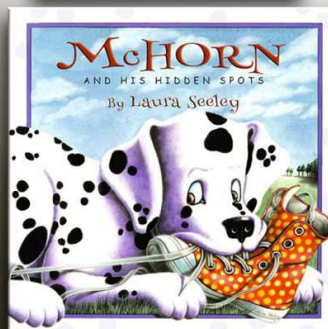

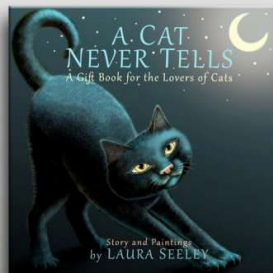

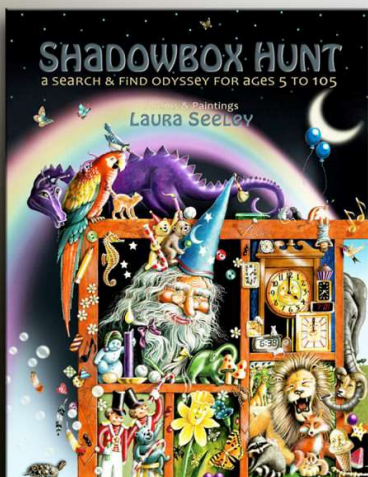

See what happens when you put YOUR words to YOUR pictures! Just imagine what you can do! It's FUN!

### LIGHT *and* SHADOW

Where's the light coming from? From the left? The right? Above? See the shadows? What's lighter? What's darker?

### ONE-*on*-ONE BOOK SIGNING

Laura will personalize ordered books for the children, time allowing, one-on-one. Otherwise, she will personalize books later. **Book sales up to 2 weeks** following the school visit.
